

MOLLY

Mommy, does Daddy really only care
about himself?

CAROL

I don't think so, Molly. Your
Daddy can be a very loving man.
He's just a little...confused.

MOLLY

Confused about what?

CAROL

About what the important things are
in life. We just have to keep
praying that some day he'll come
home.

MOLLY

OK, I'll start.

***Please send a clip of yourself singing as well.**
